Youth employment program slated

A summer youth employment program will be conducted in Appomattox County by Lyn-CAG, sponsored by the Central Piedmont Employment Consortium.

Using funds from the U.S. Dept. of Labor, Lyn-CAG will place a total of 29 local young people in jobs within the county area.

The summer youth employment program will also be operating in the counties of Amherst, Bedford and Campbell, and in the Cities of Bedford and Lynchburg. Youth between the ages of 16 and 21 years old will be placed in summer jobs in the community. Efforts will be made to help those workers not returning to school at the end of the summer to find permanent employment.

The program is designed to provide work experience for disadvantaged youth. With the cooperation of local public and private, non-profit, non-sectarian worksites such as the Appomattox school system, commission of revenue, town departments and the Extension Office, Appomattox young people will be provided with an opportunity to benefit from positive work experience, as well as counseling, support services and labor market information. In addition, the wages earned in the program will provide an added asset to the economic health of the community.

Young people interested in information concerning the program should contact Anita Ross at 352-5910 for an appointment. Eligibility requirements will have to be met in order to qualify for the program.
